IS YOUR KITCHEN 'CLEAN-UP FRIENDLY'?

finishing touches

COOK UP SOME PERSONALITY IN YOUR KITCHEN WITH THESE DECORATIVE DETAILS.

BEAM ME UP

The stately old kitchen ceiling is now available in a fabulous fake! Faux urethane beams from Fypon replicate the look of sturdy wooden beams, only at a fraction of the price—and weight—of their timber counterparts. Durable and easy to install, they can be painted to match the décor of any room. For pricing and ordering information, visit fypon.com or call 800-446-3040.

THINK THIN
Combining strength with long-lasting, natural beauty, this Teak Folding Ladder adds more than 28" of reach power for accessing high shelves or changing light-bulbs. What's more, it folds down to a mere 2" for storage, and it can be used indoors or out. \$189. At Smith & Hawken, smithandhawken.com or 800-940-1170.

IT MAKES SCENTS

It's cleverly disguised as a lidded pasta jar (with bamboo "spaghetti"), but removing the cork lid on Cucina's Fragrance Wand Kit will fill the air with scents like Ginger and Sicilian Lemon, Coriander and Olive Tree, or Basil and Tomato. Resealed, the fragrance stays locked in the jar; oil drops conveniently revive the contents, when needed. \$40 for jar, wands and reviver oil set. Available from Fruits & Passion. Visit fruits-passion.com or call 800-276-9952 to locate a retailer near you.

STAY SEATED

Modern Italian fashion and luxury come together to create a stool that's as stylish as it is truly comfortable. The Moda Barstool features a leather contoured seat (Red, White or Black) atop a solid beechwood frame. It slides in easily under island counters or coordinates with bar-height tables. \$299. At select Crate and Barrel stores, online at crateandbarrel.com or by calling 800-967-6696.

STYLISH STORAGE

When every inch counts, keep essentials within reach. It's easy, thanks to the open plan of Vanity Flair's Loft Étagère. Four adjustable shelves provide the ingredients to create the storage recipe that works for your kitchen. Shown here in Coventry Wheat with Gold accents, it retails for approximately \$2,520. For more options and information, visit vanityflair.net or call 888-479-4108.
