*1925 Legacy Serpentine Vanity*

### FOR IMMEDIATE RELEASE:

## Inspiration For The Generations!

*Vanity Flair's Legacy Collection Has Heirloom Quality Looks And Feel.*

(Canton, GEORGIA – October 26, 2006) Reminiscent of a treasured family heirloom passed down for generations, Vanity Flair has managed to capture that classic styling and craftsmanship in one of its most stunning lines of custom bathroom furniture – the Legacy Collection. Marked by traditional proportions and rich detailing, the Legacy group brings an unmistakable air of elegant beauty to the most luxurious of bathrooms.

The Legacy collection creates an opulent first impression that is only enhanced by closer inspection of the hand-crafted detailing that truly brings these remarkable pieces to life. The 1925 Legacy Serpentine Vanity, shown here with the M-7 Legacy Mirror, is adorned with corbels and swags, cabinet door mouldings, and a serpentine design that is gracefully echoed by a wide carved floor moulding. The vanity itself is flanked by two drawer wings for extra storage, one of many customization options offered by Vanity Flair designers.

Add to the traditional look by further furnishing your bathroom with the custom Legacy Linen Tower. A lighted top unit offers four shelves for storage or display, while the closed cabinet beneath cleverly disguises a built-in clothes hamper. Finally, the free-standing Legacy Tub Box adds the perfect finishing touch. It can be custom-made to accommodate nearly any size tub and creates a wonderfully elegant retreat for soaking away the worries of the world.

As with all of Vanity Flair's custom designs, the Legacy collection is available in more than 40 distinctive finishes. The pieces shown here are enhanced with a rich normandy stain with hand-applied gold accents. Depending on the selected finish, the collection is priced as follows: the 1925 Legacy Serpentine Vanity with Drawer Wings retails for \$8,445; the M-7 Legacy Mirror for \$1,295; and Legacy Tub Box for \$5,600.

Vanity Flair is a Furniture Guild Company that has been creating beautiful bathroom environments for the most discerning clientele since 1984. The company takes great pride in combining Old-World craftsmanship with the latest technology, such as using laborious
