FOR IMMEDIATE RELEASE:

Create an Exotic Escape to the Orient With Vanity Flair's Nikko & Mini Nikko Vanities!

At Vanity Flair, Impossible Solutions are our Specialty!

(Canton, Georgia. March 1, 2006). The Furniture Guild introduces the Nikko and Mini Nikko Vanities, Vanity Flair's hottest contemporary creations for the bath. Featuring clean lines and a modern appeal, these vanities will create a look of Asian simplicity and beauty in the bath.

In today's hurried world, the bath has become a sanctuary. Many homeowners and designers are choosing fixtures and furnishings that create a peaceful atmosphere – a serene retreat. The Nikko incorporates the look and philosophy of the Orient to create a vanity that is Zen-like adding a warm addition to the bath.

The Nikko (Model 1046) and Mini Nikko (Model 1045) are shown in Black Walnut with a rice paper insert and spacious wood top to accommodate a basin and bath accessories. Two door inserts are available including rice paper (as shown) or rattan. Each insert is also reversible to reveal a panel finished to match the case. And the best news is that both Nikko vanities are available in ALL of the Vanity Flair finishes to match any décor need.
